

Easy Mount Recessed Low Voltage Cable Plates

DataComm Electronics' new Easy Mount Recessed Low Voltage Cable Plates are designed to be installed without "low voltage mounting plates" or "old work mud rings". The mounting wings are molded into the Easy Mount wall plate and fasten tightly against the back of the drywall.

Use the Easy Mount Recessed Low Voltage Cable Plate to install low voltage cables behind your flat panel TV, your amplifier or other audio and video devices. The wall plate can be installed upright or upside down. Mounting wings are designed for use in walls up to 1" in thickness.

Easy Mount Recessed Low Voltage Cable Plate (Slim Fit)

The Slim Fit version is designed for use in concrete wall applications where the wall cavity is ¾" to 1" in depth.

Part Number	Description
45-0008-BK	Easy Mount Recessed Low Voltage Cable Plate, Black
45-0008-IV	Easy Mount Recessed Low Voltage Cable Plate, Ivory
45-0008-LA	Easy Mount Recessed Low Voltage Cable Plate, Lite Almond
45-0008-WH	Easy Mount Recessed Low Voltage Cable Plate, White
45-0009-LA	Easy Mount Recessed Low Voltage Cable Plate (Slim Fit), Lite Almond
45-0009-WH	Easy Mount Recessed Low Voltage Cable Plate (Slim Fit) White

RoHS Compliant.
