

Surround Sound Plate

DataComm Electronics home theatre plates provide all the flexibility a professional installer or experienced do-it-yourselfer needs to create a sophisticated media environment. The plates are easy to terminate and contribute to a neat, finished installation. Clear labeling also simplifies room set up and configuration.

5.1 Surround Sound Plate

- Includes 2-gang white plate with 5-pair binding post for the front-left, front-right, rear-right and center speakers
- Includes 1 RCA jack with f-connector for a subwoofer
- UL approved ABS plastic
- Installs in a NEMA 2-gang box or low voltage mounting bracket

7.2 Surround Sound Plate

- Preconfigured plate with front and back gold plated push-pin banana plug connectors
- Eliminates tedious work and decreases labor cost by 20%
- No wire pull-outs
- Automatic conductor adjustment ensures perfect conductivity every time
- Connector labeling simplifies room setup and configuration
