

3-Gang Recessed Plate

"Feature Sheet"

P/N: 45-0003-UWH

DataComm Electronics' Recessed Low-Voltage Cable Plates are used to install low-voltage cables behind your flat panel TV, amplifier or other audio and video devices. These plates are designed to be used with 1 gang low voltage mounting brackets.

Key Features:

- New Ultra White color adds a new crisp, clean look for all project types
- Matches other top manufacturers "white" color plates and accessories
- 1-gang also offered in mid-size option in standard white (45-0011-WH)
- Available in Black (BK) & Ultra White (UWH)
- Available in 1, 2, and 3 gang options
- Originally patented, industry-first design
- ETL listed to UL standards
